New York Personal Injury Attorneys

The representation of individuals injured by negligence, **medical malpractice** or faulty products is one of the most challenging and rewarding specialties in the practice of law. We love what we do. This passion manifests itself in the dedication we bring to our clients and their cases. Our outstanding results, including numerous million dollar verdicts and settlements, speak for themselves.

Wingate, Russotti & Shapiro is a **New York personal injury law firm**. We only represent individuals who are injured through the medical malpractice; injured in **workplace accidents** or by **faulty products**, equipment or machinery; injured in **construction accidents**; **automobile accidents**; or through the negligent maintenance of property. The firm has achieved great success in these specialties which are all bound together by a common thread: an individual has suffered serious physical or emotional injury.
